The Sonoma County Taxpayers' Association is your advocate for efficient and effective use of public resources by government officials and entities in Sonoma County. We are a non-profit, non-partisan organization comprised of concerned Sonoma County citizens who share a common goal of ensuring the wise and prudent use of public tax dollars. Established in 1945, the Sonoma County Taxpayers' Association is the longest established and only recognized taxpayer advocate in the county.

Through our network of volunteers, we monitor government fiscal policies and actions by speaking out and shaping public opinion. We acknowledge public officials who act in the best interest of taxpayers and shine a light on those who disregard the public good in favor of special interests.

We rely on our members for financial and intellectual support and invite you to join with us as we seek to make Sonoma County a better place for us and future generations to come.
